

WHO'S WHO IN HEALTH & BEAUTY

Dr. Gordon D. Sokoloff began his practice, Coral Gables Dentistry, in 1981 immediately following his graduation from Case Western Reserve Dental School. Dr. Sokoloff was born and raised in Coral Gables and graduated from Tulane University in 1977. Dr. Sokoloff's 30-plus years in private practice are earmarked by his enthusiastic approach to staying on top of the newest materials and technologies available in his profession. Dr. Sokoloff has a long, well-established list of "who's who" patients that come to see him from all over the country. He is a member of the Florida Dental Association, American Dental Association, Miami Dade Dental Society, Academy of General Dentistry, and Florida Academy of Cosmetic Dentistry and participates in several regional study clubs. His office has been awarded the Best Dentist Award five consecutive years in a row by the *Coral Gables Gazette*, and he has been honored with America's Top Dentists Award as well as Top Florida Doctors recognition.

Dr. Alexandra Castillo joins Dr. Gordon Sokoloff at Coral Gables Dentistry, bringing her extensive experience along with her lifelong passion

for dentistry. Dr. Castillo was born in Caracas, Venezuela, and moved to Miami in 1995. She graduated from the University of Miami's undergraduate program and earned her Doctor of Medical Dentistry at Nova Southeastern University's College of Dental Medicine. Dr. Castillo was the past president of the Miami Dade Dental Society and belongs to the Miami Dade Dental Society, Florida Dental Association, American Dental Association, and the Academy of General Dentistry. She is dedicated to both community service and continuing education in dentistry.

Together, Drs. Sokoloff and Castillo continue their "concierge-type" dental practice, treating the most discerning patients in a well-known, prestigious practice in Coral Gables. Their practice proficiently performs with three dental hygienists and a support team of six well-trained assistants and receptionists. They perform all phases of general and cosmetic dentistry in a brand new, state-of-the-art dental office with free parking. Smile makeovers, reconstructive, restorative and general family dentistry are among the many services that Coral Gables Dentistry provides.
